LIVE AN AESTHETIC LIFE

All living spaces are attentively designed for your physical and mental wellbeing, as well as everyday inspiration.

Since 2014, Masterise Homes has created a host of hugely successful luxury residences under Masteri Collection, unfolding a new era of world-class living.

Partnering with only the best masters and specialists from around the world, our residences offer grand style and intelligent designs to inspire your life, looking after the total wellbeing of all your family members.

LIVE IN BALANCE

Live, work, socialize, and get in touch with your beloved ones in the comfort of your own.

Finding the right work-life balance is essential to your wellbeing. And it is also at the core of each Masteri Collection blueprint.

With the goal of providing residents with ample space for relaxation and entertainment, we map out sophisticated living areas with unique facilities such as a gym, deluxe swimming pool, full-serviced spa, virtual reality golf courses and many more, allowing you to enjoy precious moments of family bonding and friends gathering within the residential site.

LIVE WITH PEACE OF MIND

When your property is well cared for, your home's value is assured – a secure way to safeguard your future.

From the moment you become a Masteri Collection resident after the handover, to every ownership stage, the value of your property is guaranteed through our exceptional and comprehensive property management services.

You can always enjoy peace of mind knowing that every one of your family member is being earnestly taken care by a professional front desk service team and a host of other international-standard healthcare and educational programs.

What is more, our outstanding Home For Home solution developed by Masteriese Homes and Techcombank will gladly assist you to embark on the journey to “Live in Masteri style” – not just for you but also for your future generations.
